Common collocation of square ring hook tool cabinet accessories

1.pegboard+ Hook

pegboard is the most common and classic combination with hooks. Hooks include double hooks, U-shaped hooks and wire hooks, which can be used in combination at will. Tools of different sizes also have corresponding storage positions.

2.pegboard+ combination pendant

In addition to the above mentioned ways of collocation, you can also combine them together to make the whole pegboard more hierarchical and become a scenic line in your home.

Advantages of square ring hook tool cabinet accessories

1. Personality and design

pegboard itself has a unique aesthetic feeling, coupled with flexible and free collocation can show more different design sense.

2. Good storage ability

pegboard can be said to be handy for storing small objects. It combines partitions, baskets, hooks, and other ways of storing, which is beautiful and practical.

3. Save space

pegboard mainly uses the vertical space of the wall as storage, so it can effectively save space.
